On behalf of WLRS we would like to recognize and thank you for all you do. We applaud the efforts you put forth daily to assist residents with a broad range of needs including preparing meals, helping with medications, bathing, dressing, getting residents to work, and helping them to participate in recreational activities.

At the national level your efforts are being recognized from September 12-18, 2010 with the designation of National Direct Support Professionals Recognition Week. At the state level Governor Strickland noted that week of recognition via a formal letter. Locally, recognition includes each resident designing flags to show you how much they appreciate you and to thank you personally for all you do. These flags will be on display in the Wood County Courthouse Atrium September 7-10 and at the WLRS Administrative Office September 13-16.

Again, thank you very much for what you do each day. Your efforts are what make WLRS a successful program!
